

## How We Voted

Of Benson's 854 registered voters, 637 cast ballots in the General Election of 2024 (75 %!)—248 in the voting booth on November 5<sup>th</sup> and 389 using the absentee voting process. Thank you to all the ballot clerks and voter counters, and most especially to all the voters who were patient as we worked out the procedures for this election like no other.
